

# Different **STROKES** FOR *Different Folks*

COME BE A  
PART OF OUR  
GROUP!

**A stroke can affect different people in different ways.**

OCH's Speech Language Pathologists host a bi-monthly outreach program to provide support for patients and family members affected by stroke.

If you or someone you love has experienced communicative, cognitive, or swallowing difficulties as a result of stroke, please join us for our upcoming meeting.

*Walk-ins  
are always  
welcome!*
