First Aid will be taught first. If you do not require First Aid certification, you will have the option to arrive at 5:15 p.m., once First Aid is complete. As pricing is contingent upon which courses will be completed, please let the instructor know when registering for the course.

If the CPR or First Aid class does not meet a minimum of 4 registered students, this AHA Training Facility reserves the right to cancel this class. Participants will be notified approximately 24 hours prior to scheduled class of cancellation.
